

MSC Assessment

Russian Pollock Trawl Fisheries

Client Submission Information

We are pleased to inform stakeholders that the client for the Russian Pollock Mid-water Trawl fisheries has provided extensive client submissions to respond to the certification requirements for MSC fishery certification.

The client submission documents can be seen at the respective Assessment Download sections for each candidate fishery as follows:

Russian Bering Sea Pollock

<http://www.msc.org/track-a-fishery/in-assessment/pacific/russia-bering-sea-pollock/assessment-downloads>

Russian Sea of Okhotsk Pollock

<http://www.msc.org/track-a-fishery/in-assessment/pacific/russia-sea-of-okhotsk-pollock/assessment-downloads>

We are currently in the process of updating the timeline and site visit schedule for these fisheries and will provide an update in the near future regarding forthcoming certification activities.
